GOVERNMENT OF MYSORE

Mysore
26 June 1912

My dear Sir,

I think that Government should make up its mind to pursue a well-~~settled~~ Policy with reference to the Sringeri Jahgir. From the Communication received from the Dy Cr, you will see that the agent (with or without the Concurrence of H.H. the Swamiji) is not willing to remain under the orders of Government. From what Mr. Ramachandrayya told me when

I saw him before leaving for Sringeri, it is not likely that things will go on smoothly in managing the affairs of the Estate, &c outside.

If Government wishes to wash its hands off the Concern, we have only to pass an order to that effect. But it will not be an edifying spectacle, I must be excused in saying, to see Govt practically beaten by the unreasonable obstinacy of a single person.

There are no doubt some anamolous and legal difficulties in our position if the Swami claims

to be sui juris; but they are not insurmountable. What would apply to a private grihastha man need not all necessarily apply to a Sanyasi.

The whole property &c came to our possession when there was a vacancy created. We have appointed Mr. Sr. Sastri as agent of ours, and so it has all remained with us. ~~Until~~ Unless and until we properly give over charge, the

Swami (or Mr. Sr. Sastri or any other on his behalf) can claim no rights of actual possession. We shall therefore be justified in keeping it in our own possession and management till it is considered that the property may be delivered back

We are morally bound to see that the property is properly accounted for & things set in order before we altogether retire from the field.

There is a ready way of

G. 7 S. 12]

GOVERNMENT OF MYSORE

forcing the agent to obedience and showing him that he cannot continue to treat the orders of Govt with scant courtesy. The Revenue Powers granted to him as the late ~~to~~ Swami's agent have lapsed strictly on ~~the~~ his demise. If they are withdrawn expressly, he will open his

eyes and see the futility of his present altitude.

I think that some action of a decided sort is called for soon: and if you wish it, we may discuss the matter personally -

Yours Sincerely -

Extract from the Proceedings of the 282nd Meeting of the Council of His Highness the Maharaja, held at Bangalore on the 2nd August 1912.

6t.- (Clause of the Schedule).

Question of enforcing compliance with the order of Government dated 4th April 1912 regarding the submission of budget estimates, inventory of properties &c by the Agent of the Sringeri Jahgir.

Opinion of the Council.

When the subject was placed before the Council at the meeting held on Friday the 2·th July, the following opinion was recorded:-

"The Council is of opinion that under existing circumstances, it is to the interest of the Mutt that its affairs should continue to remain under the control and supervision of Government for some time longer and that the Government order dated 4th April 1912 issued on the subject should be strictly enforced. The Deputy Commissioner may be asked to warn the Agent Mr. Srikanta Sastri, that if the requisitions for budget estimates, inventory of properties &c

are not complied with in a fortnight, Government will have to make other arrangements for the management of the Mutt affairs."

Since the above resolution was recorded, the Srimukha addressed by His Holiness the Swami of the Mutt to His Highness the Maharaja having been received, it was read in Council and considered today.

The Dewan is of opinion that the Srimukha makes a material alteration in the position of affairs and that, in the face of the unwillingness of the Swami to have the affairs of the Mutt managed by the Agent subject to the control and supervision of the Deputy Commissioner, it behoves Government to withdraw from the position taken up by them on the eve of the nomination and installation of the Swami and to leave the Mutt affairs to be managed by the Swami himself with the aid of the strong and apparently efficient committee suggested by him - the committee as well as the Agent being, in that case, appointed by the Swami himself.

The opinion of the First Councillor with which the Second Councillor also agrees is as follows:-

Government having interfered in the matter to take charge of the properties and to arrange for the installation of the Swami, they are morally bound to effectively enforce the order already passed. At present the Government, through the Deputy Commissioner and the Agent (Mr. Srikanta Sastri), are in virtual possession of the Mutt and its concerns. Before handing over possession of them, Government are morally and legally bound to get accounts and take an inventory of the property; and after getting from the Agent a proper account of the state of the Mutt affairs, Government may make up their mind as to whether

the Agent may be continued under His Holiness the Swami. It is against the interests of the Mutt of the Swami, and the prestige of Government to withdraw from the Mutt affairs in the manner proposed in the Srimukha now received.

Flag C

In the order issued on 4th April 1912 Government said that the Mutt affairs will remain under Government supervision till the successor to the late Swami becomes capable of taking charge of the management in his own hands. Nothing has been done to make the successor capable and the proper position for the Government to take is that they should be the Judges of such capability on the part of the present Swami.

A reply may now be sent to the Swami that Government will examine into the affairs of the Mutt in accordance with orders already passed and after some period of supervision will hand over the management to the Swami, who may, thereafter, appoint any committee that he may consider proper and manage the Mutt affairs independently.

Submitted to His Highness.

In passing orders in regard to the arrangements for conduct of the affairs of the Sringeri Mutt in Government Order No.179-189 dated the 4th April 1912, the Deputy Commissioner was directed to get an inventory of all the properties belonging to the Mutt and also to submit for orders a budget of estimated receipts and expenditure for one year from the 1at April 1912.

C.

2. The Deputy Commissioner having been asked report what progress had been made in this direction, he has reported that in spite of nine references made to him, the Agent has neither sent a reply nor furnished the inventory &c., wanted. He has therefore sought the further instructions of Government in the matter.

D.

3. The papers were circulated to Councillors and the matter was considered in Council first on the 26th July 1912 and again on the 2nd August in the light of the Sringeri Guru's Srimukha to His Highness the Maharaja dated 16th June 1912 on the day corresponding

corresponding with Padyami, Adhika Ashada Suddha of the year Paridhavi.

4. The opinion of the Council recorded at both these meetings is contained in the accompanying extract of Council Proceedings.

5. The Councillors differ from me in their opinion. I am of opinion that it benoves Government to withdraw from the position first taken up and leave the Mutt affairs to be managed by the Swami himself with the aid of the Committee suggested by him, while the opinion of the First Councillor with which the Second Councillor also agrees, is that it is against the interest of the Mutt, of the Swami and of the prestige of Government to withdraw from the Mutt affairs in the manner proposed in the Srimukha, and that a reply may be sent to the Swami that Government will examine into the affairs of the Mutt in accordance with orders already passed and after some period of supervision will hand over the management to the Swami who may thereafter appoint any Committee that he may consider proper and manage the Mutt affairs independently.

6. The subject is not without its difficulties; but on the whole the course suggested in my opinion recorded in the Council Proceedings seems to be most

most desirable.

7. I solicit orders in the matter.

Bangalore,

Sir,

I have the honor to acknowledge receipt of your letter no 2270. Mur. F. 534-11-2 dated 23rd march 1912, referring to the Sad demise of the Guru of the Sri Sringeri Matt and calling for a report on the action taken by me for safeguarding the property of the Matt and also for proposals — the Succession to the Peetha &c to state as follows:—

The Offg Senior Surgeon

and Sanitary Commissioner was touring in this District, the District Sanitary Officer who was with him wrote to me about the 5th instant from Hariharpur that on account of the Guru's illness, the Offg Senior Surgeon had been asked to visit Sringeri earlier than the date originally fixed. On receipt of this, I enquired of the Agent what the matter was with the Guru. He wrote back about the 12th that there was nothing Serious and the Guru was improving. On the 17th, the Offg Senior Surgeon came to Chikmagalur and he also said that there had been some improvement in the Guru's health before he left Sringeri.

3. On the 19th afternoon, I received a telegramme from the Agent to the effect-

effect that the Guru's illness was causing anxiety. This news was at once telegraphed by me to the Dewan and the Huzur Secretary. I then conferred with the Offg Senior Surgeon who was at Chik-magalur and as he could not conveniently go again to Sringeri, it was arranged that the District Sanitary Officer Mr. R. Subba Rao should accompany me to Sringeri. Mr Subba Rao received detailed instructions from the Offg Senior Surgeon, I telegraphed to the Agent that I was starting with medical aid.

4. We left on the morning of the 20th and came to Sollebile on morning of the 21st. The Amildar Koppa who had been instructed news about the Guru's health

met

met me here and told me that the Guru had passed away at about 11.A.M.. on the 20th. This news was also Communicated by me by telegram to the Dewan and the Huzur Secretary.

5. The messenger from Sringeri who brought the news to the Amildar of Koppa also stated that no Successor had been installed. Before I left Sollebile, I received a telegram from the Treasury Assistant Commissioner, Chikmagalur, to the effect that the Sringeri Matt Agent had telegraphed that the Guru had passed away without making any arrangement for Succession.

6. I arrived at Sringeri on the 21st at about 5 P.M. and immediately met the Agent Mr Srikanta Sastry and expressed Condolence. We had a

long

long talk about the affairs of the Matt. The Matt affairs have been managed efficiently so long that order prevailed everywhere and everybody was accustomed to it. There was no sign of Confusion or insubordination. Everything was working like clockwork. The idea of taking advantage of the interregnum and walk away with the Matt property was entirely absent.

7. The Agent also realized this position; and far from looking upon me as an intruder took me into his Confidence.

8. On the 22nd, he left for Mysore to Communicate in person to His Highness the Maharaja, the wishes of the late Guru.

I went over the Matt premises by myself that the valuable

roperty

property was properly secured. The iron safe containing jewels was in the custody of a Barr-guard had been sealed. Other valuable property was also secured. It has been my aim to work in Co-operation with the Agent and Mr Krishnasastry, alias, Ramasastry and not to give room to them to say that I have supplanted them and assumed author-rity.

10. Having satisfied myself about the security of the Matt properties, I began to think about the succession and make enquiries in that connection. It appeared strange to me that the Guru should not have installed a Successor. My enquiries go to show that nobody came up to the standard he expected and

that

that he was averse to taking the responsibility of installing a person who should later turn out to be incompetent. He seems to have also thought that in course of time Gurus might not meet with much respect from the public. It is stated that he more than once said perhaps half in jest and half in earnest that the Matt might end with him. Whatever the reasons might be, the omission to instal a Successor is strange.

11. In Connection with the Succession, I find five persons mentioned; these are:-

(1) Narasimha Sastry,

(2) Lakshmi Narasimha Sastry,

(3) A boy of Dogere Subba Sastry's family at Mysore.

Viroopaksha Sastry.

Brahmachary of Benares or elsewhere.

12. No 5 is not of these parts. His family and parentage are not known. It is not said that the late Guru had any idea of nominating him. I cannot recommend a man whose antecedents are not known.

13. No 4 is a Smartha (perhaps Deshastha) brahmin of Dharwar District. He is a learned and well-behaved man and a widower. Though the late Guru might have said that this person is fit to be made his successor, I should think that he could not have seriously meant it.

14. It appears that the parents or guardians of No 3 do not want to make a Sanyasi of him.

15. Thus the cases of Nos 1 and 2 only are to be considered.

16. No 1. is the son of Gopi Sastry of

of this place. He is about 19 years old. He has passed the Lower Secondary examinations ~~both~~ in English and Kannada and has read Sanserit Sahitya upto Champu Standard. He Knows a little Tarka and is now studying Meemamsa in the Matt Sanserit College, Bangalore. It is said that the teachers and the managing Committee of this College speak well of the character and capacity of the boy.

17. His parents are alive and poor. He is the only surviving child out of 13 or 14 children. The father is not a learned man and is said to have run through his ancestral property. It is however said that this Gopi Sastry was also one of the Candidates the late Guru was installed 45 years ago. The grand

father

father of the boy was, it appears, a very learned Pandit.

18. No 2 is the grand-son of Iyya-navaru Ramasastry, the brother's son of the late Guru's predecessor. The boy is about 13 years old and is good looking. He is a pupil of the A. V. School here. He is in the English Lower Secondary class, but has not sent in his application for the examination this year. He knows English, Kanarese, and Sanscrit He stammers a little, and is the only son of his father by the first wife. He has an intelligent look.

19. It seems to have been the talk in these parts that No 2 was to be the future Guru. The Koppa Amildar told me at Sollebile that the boy's father Ramanatha Sastry who

who is Matt Sarvadhikari for the Districts of Shimoga, Kadur and North and South Kanaras. appeared as a witness before him and was spoken of by the people as the father of the future Guru. The majority of the people at Srungeri are said to be in favor of this boy; and it was said that a petition in his favor would be presented to me. I have been here for 6 days. No such petition has been sent; and nobody has come forward and pressed the boy's claims. The Agent says that the late Guru said that the Matt might rather end with him than that this boy should be his successor.

20. As regards No 1, it is said that his intelligent answers to questions in Tarka brought him the notice of the Guru, that the was in favor of installing

the

the boy as his successor, and even went so far as to say that his titular name should be Chandrashekhara Bharati, that when he drew lots in the temple of Sarada in connection with this boy's installation, he (the Guru) drew a chit to the effect that he should not be in a hurry and that His Highness the Maharaja has been duly apprised of all this. The Agent and his brother Mr Krishna Sastry, alias, Rama Sastry support this boy's candidature. I may add that he is in no way related to them and that as far as I can see, they have no personal interest to serve in securing this succession.

21. Though there might be a difference of opinion about the succession, all are agreed that the capable management of Mr Srikanta Sastry (who

(who personally wants to withdraw) should be continued.

22. It seems to be that the succession of Narasimha Sastry (No 1) will be to the best advantage of the Matt.

23. Arrangements for his further education are necessary, and it is proposed to have Viroopaksha Sastry (No 4) as the teacher. This is also unobjectionable.

24. I believe Government also desire that I should express my views about the future management of the Matt affairs. Though the boy proposed is legally not a minor, it will take some years for him to realize the responsibilities of his position. Whether Srikanta Sastry is to have hand he had till now

96

Or whether others are to be asso-
-ciated with him to form a Com-
mittee for the management of the
Matt affairs. is a difficult and
delicate question to answer. Mr
Srikanta Sastry is also not here,
and I would like to Consult him
before writing to Government.

25. I may be permitted to add
that a long interregum is not
advisable and that the Succession
of Narasimha Sastry may at once be
Sanctioned, the question of the
arrangements for the management
of the Matt affairs being reserved
for further Consideration.

Sir

In continuation of my letter about the succession to the Sringeri Matt I have the honour to state that since the return of Mr Srikantha Shastry from Mysore I have been trying to induce him to come to Mysore but have been unable to do so. He appears to be practically conducting the Matt affairs. He is anxious about the succession to the Matt being settled he leaves again for Bangalore and Mysore tonight. I shall be much obliged if you will kindly let me know your wishes in the matter after Mr Srikantha Shastry returns from Mysore.

It may be remembered that Shamu Joisa Bhatta Mr Srikantha Shastry the present head of the Matt died without leaving behind him any male issue but left a daughter and a nephew Subbanna Shastry who is already appointed to succeed the present Shastry, as already reported by me. Should the latter succeed before it may not be impossible to induce him to adopt a disciple - In the event of this happening obviously, it is urged that it is necessary to settle this question as soon as possible.

MYSORE, THURSDAY, APRIL 4, 1912.

PROCLAMATION.

His Highness the Maharaja has learnt with profound regret of the demise of His Holiness Sri Sachchidananda Sivabhinava Narasimha Bharati Swami of Sringeri Matha without having had time to make final settlement about succession to the Pitha. His Holiness had, by his profound scholarship, deep piety and an unbroken holy life of forty-six years as the head of this revered institution, won the love and admiration not only of his disciples throughout India but of all who had in any way come in contact with him, and His Highness the Maharaja feels that the loss to the Hindu world and religion is irreparable.

2. His Highness the Maharaja is aware of the fact that it was the intention of His Holiness the late Swami to consecrate as his successor Narasimha Sastry, son of Gopi Sastry. Narasimha Sastry who is now about 19 years old is studying Mimamsa and Vedanta in the Sringeri Matha Patashala at Bangalore, is reported to be a brilliant student and a Brahmachari of unblemished character and great promise. He was specially sent for by His Holiness to Sringeri and if he had arrived there two days earlier, he would have received his "upadesha" at the hands of the late Swami himself. In these circumstances, His Highness the Maharaja is pleased to give effect to His Holiness' wish and to direct that the ceremony of consecrating Narasimha Sastry as the Swami of the Sringeri Matha be performed at the earliest date possible with all due form.

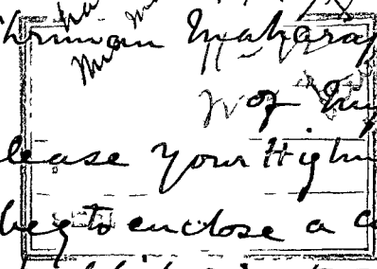
His Highness Srikanta Datta Narasimha Raja Wadiyar
Maharaja of Mysore



May it please your Highness.

I beg to enclose a cutting of my letter published in the Hindu re: succession to the Shringeri Mutt. This is in continuation of my telegram to your Highness sent from Madras the next day after His Late Holiness of Shringeri attained Siddhi. If your Highness be favorably disposed towards the Hampi Mutt on account of the facts published in the enclosure, I shall see your Highness by appointment.

I beg to remain,
Your Highness most obedient Servant

Succession to Shringeri Mutt

I

Mr. G K Harkare writes from Guntal al —

It is a matter of history that it s Shri Vidyaranya Swami, the Founder of the Vijayanagara Empire who raised the dignity wealth and pomp of Shringeri Mutt. At the request of the Emperor of Vijayanagar he consecrated two disciples, one he placed at Shringeri with wealth and pomp and the other he placed at Hampi as the centre of all ecclesiastic power over the people Before Shri Vidyaranya Swami the ecclesiastic functions of the Acharyas was not organised, Records will prove this, and the centre of exercising those functions was at Hampi Later treaties between Shringeri and Hampi also tend to conform the same arrangements. Hampi is the first bifurcation from Shringeri and the most influential as originally intended by the founder The branches at Kudli and Karveer are of a later date. Owing to difficulties, in communication and travelling and owing to loose organisation, the new centres assumed power over areas around them and the sanction of time has legalised their power though history has a different tale to tell

Backed by the prestige of having been connected with the foundation of an Empire, which resisted the Mohmedan invasion of the South and protected the Sanatana Dharma when it was in danger, it is the Hampi Mutt that is entitled to succeed to the Shringeri Mutt. Even in modern days it is the Hampi Mutt that is working to restore the ancient social order and resist the inroads of the sociophagus influences of the West in a way that will appeal to modern thought without shocking orthodoxy. So even from a modern utilitarian point of view it is Hampi that has best claims for Shringeri. Hampi does not sacrifice ancient spirituality to modern utilitarian philosophy, but will blend both, which is the key-note of Karma Yoga. Holy personality of the candidate alone is not sufficient. Education of his advisers alone is not sufficient nor both together. A stronger stuff in both is necessary, which should be able to receive and bear batteries from all directions, hold their balance, obliterate their self and have one regard for the Karma Yogic good of their followers along the lines laid down by the Manu for different compartments of society created by him for the common good of all. For this a change in the policy of *bahishkars* is necessary and a change in public opinion to submit to it. Hampi Mutt is working along these lines and is therefore best fitted to assume the reins of Shringeri also.

If there be no heir to the gadi of Shringeri its Jagirs &c, naturally escheat to His Highness the Maharajah of Mysore. As the Maharajah is so very intimately connected with Shringeri, I beg to remind him that his house is descended from the Vijayanagara Dynasty in the female line. If so, His Highness should have a pride in giving to Hampi its dues by restoring Shringeri to it.

non-official European community into combination The obligation is due to the fact that in many respects the interests of Indians are not the interests of Europeans in India The Indians as Mr Chuckerbutty admitted desire a weak executive and a strong judiciary Europeans in India desire a strong executive at all costs Again, to take an economic question which will become very pressing as soon as the Indian members of the Imperial Council realise their strength, some Indians are strongly in favour of imposing prohibitive duties on imported European goods They are not only not Free Traders, but they are not Tariff Reformers They would place British goods in the same category as foreign goods Some leaders have boldly declared that if there is to be any preference the preference must be given to Japan There are fanatics amongst them who would stop all exports of food-grains to Europe and we even saw during the height of the Swadeshi agitation an attempt to induce rayats to refrain from growing jute Many Indians would like to see the British Army in India largely reduced while there are occasions on which Europeans wonder whether it is large enough Here are a few considerations by no means racial, proving how greatly in conflict European and Indian interests are, and how necessary it is that European opinion should be consolidated so as to present a firm and united-front against encroachment, The Government as the Indians firmly believe and, we think, correctly, is very sensitive to agitation If it has ignored European opinion in Bengal, while responding to Bengali opinion, it is because European opinion cannot express itself through Association with the powerful and complete organisation that Bengal leaders have elaborated The only remedy is to form an Association which will be heard As we pointed out yesterday the nucleus of such an Association is to be found in the European and Anglo Indian Defence Association Nonofficials only need to rally round the standard which Mr Keswick unfurled in 1883 and which, although inclined to droop, is still on the mast.

The Republican Party Split

A BITTER CONTROVERSY

The *Times* Correspondent at Washington writes under date February 26 —

Mr Roosevelt's declaration of willingness to accept nomination for the Presidency is treated by the Press this morning in the largest type and at greater length than any item of news in recent months. It is rather more emphatic than was expected and it is interpreted to herald perhaps the bitterest and most important political contest since the Civil War—the most important because never before has Radicalism been so pronounced or been championed by so compelling a figure and so adroit a politician, the bitterest because of the peculiarity of the relations between the President and the ex-President

Draft Order.

Order No. 254-65 Dated 12th August 1912.
Mus. 7-534-11-18

The Government of His Highness the Maharaja considered it necessary, shortly after the demise of His Holiness Sree Sachichananda Sivabhinava Narasimha Bharathi Swamiglu of Sringeri Matt, " to manage the affairs of the Matt and to safeguard its properties till his successor should become capable of taking charge of the management in his own hands"

Since then, His Holiness Sree Chandra Sekhara Bharathi Swamigalu has been installed as Swamy of Sringeri Matt and His Holiness has now represented that he is anxious to enter on the management of the Matt affairs.

After a careful consideration of His Holiness' request the Government resolve to modify their Order No.179-189 dated 4th April 1912 and to direct the Deputy Commissioner of Kadur District to hand over the Management of the Matt and its properties to His Holiness.
